「點燃全民閱讀熱情的臺灣閱讀節」獲美國圖書館學會國際圖書館創新服務獎

由本館開創的臺灣本土閱讀品牌活動—「臺灣閱讀節」，2020年以「點燃全民閱讀熱情的臺灣閱讀節」為題參加2020年美國圖書館學會「國際圖書館創新服務獎」評獎；參獎結果，「臺灣閱讀節」以活動不斷創新策略、形成政策持續推動，並整合政府與民間的力量，創造具影響力的閱讀品牌，獲該獎殊榮。

頒獎典禮原訂於6月底在美國芝加哥舉行的年會中進行，年會雖受疫情影響取消，但大會仍安排於美東時間6月30日16點（臺北時間7月1日清晨4點）進行線上頒獎，本館由館長曾淑賢以影片發表獲獎感言；此外，美國圖書館學會特於7月出刊的《美國圖書館雜誌》中介紹此一獲獎事蹟。「臺灣閱讀節」獲獎，除彰顯臺灣高度重視民眾的閱讀力及競爭力，將推動閱讀風氣列為重要政策外，亦可凸顯臺灣圖書館界的進步實力，尤其能整合跨境投入推動閱讀的熱情，值得向國際宣揚，

“Taiwan Reading Festival: Igniting People’s Passion for Reading” was Awarded 2020 ALA Presidential Citation for Innovative International Library Projects

Taiwan Reading Festival, launched by the NCL as a unique branded reading event themed as “Taiwan Reading Festival: Igniting People’s Passion for Reading”, took part in the 2020 Innovative International Projects Award held by the American Library Association (ALA). It took home the award for being able to stay strategically innovative, promote an ongoing policy, integrate government and civil resources, and create an influential branded event.

The Innovative International Projects Award Ceremony was originally scheduled to take place at the end of June at ALA’s annual meeting in Chicago, the USA, but the meeting was canceled due to the coronavirus pandemic. Despite of that, the organizer held an online award ceremony to at 4 o’clock p.m. EST on June 30th (4 o’clock AM Taipei Time, July 1st). Director-General Tseng Shu-hsien represented the NCL to deliver acceptance remarks in a video. In addition, a feature article provided by the ALA in American Libraries Magazine published in July gave detailed reports on the NCL winning the award. The fact that Taiwan Reading Festival had the honor of winning the award not only shows that

讓臺灣的經驗在國際展現。

the public's reading ability and competitiveness are taken seriously enough in Taiwan to make reading promotion an important public policy, but also demonstrates that profound progresses have been made among the libraries in Taiwan. The achievement of involving across-domain collaboration in reading promotion is especially worth sharing with the world so that our successful experience could be made known to other countries.

VR Impression of the Sun launched by the NCL took part in the first XR Golden Awards and won the Best B2C Award for Arts & Culture.

Being capable of integrating university research and development potential, the NCL worked with National Experimental High School to launch the exhibit “VR Impression of the Sun”, which later took part in the first XR Golden Awards, which was supported and guided by National Development Council. The competition was intense as there were many submitted works and creations. VR Impression of the Sun, standing out among all the teams from business, cultural organizations and educational institutions, received the honor of winning the Best B2C Award for Arts & Culture.

The 2020 Information Technology Month organizer specially invited the NCL to set up “VR Impression of the Sun” exhibit in the theme pavilion. During the exhibition period from December 2 to 6, a great number of senior visitors said that they were deeply moved by how the atmosphere in the original literary work could be delicately represented by the VR. There were still many other digital technology workers praising “VR Impression of the Sun” as one of the best and most refined VR-literary works made in recent years. And for many teenaged visitors, “VR Impression of the Sun” served as a time machine where they could happily play a game of colored eggs hunting.

NCL's "Information Transparency, Integrity Innovation, Library and Information Services that Keep Up with International Trends" Received the National Integrity Award

The NCL was recommended by the Ministry of Education to participate in the "National Integrity Awards" held by the Agency Against Corruption, Ministry of Justice. Our team was led by the director-general, and a task force was formed for that matter. The NCL staff was mobilized to do all the preparatory works accordingly.

By carefully analyzing objectives to be evaluated, counting clean and competent achievements, integrating innovation achievements, exploring integrity achievements, we managed to build consensus of and awareness against corruption within the NCL, to understand possible risks involved and to conduct risk management; hence, a clean and integrity administration could be strengthened. The NCL, maintaining the core concept of "Integrity, Transparency, and Operation Innovation," has applied the principle of a clean and integrity administration into our daily business and tasks. In particular, the NCL successfully met these five performances: "Full and Active Practice of Integrity in All Aspects", "Ensured Information Transparency & Clean and Open Administration", "Protection of National Assets & Insisted Practice of Clean and Good Governing", "Openness, Transparency and Activeness to be Positively Reviewed" and, "Cross-domain Collaboration & Creation of Services in a New Style." Thus, the evaluation committee members acknowledged unanimously the NCL's achievements and ranked it as a superior institution.
